My dear Toby Suzuki

Congratulations to you again for the Bronze Wolf Award which you well deserve. The Bronze Wolf is not just a recognition of the most distinguished contributions you have made to World Scouting, it also remains you that you are forever part of World Scouting. The BP Spirit it carries will grace all scouting events wherever you go and you have a duty to keep the BP Spirit shining forever.

I was especially pleased to present the award to my best friend on October 13 at Tokyo. Thank you for your invitation to the celebration party on January 13, 2008, and I thought it is my duty to attend the first part of the ceremony to the replay of presenting the award, since it is our tradition to present the award from one of the former award recipients.

It is my great regret that unfortunately, I cannot attend due to my prior commitments in other events. Therefore, I am asking Mr. Hirose to present the award on behalf of me during the party.

May I wish you an enjoyable and happy party for all my Japanese friends.

(Signed on the original letter)
